Uri Caine's Piano Trio Celebrate 'Calibrated Thickness' at Smalls

Jazz & Cabaret

Post has been Archived

Take it solo with a twist, plugged in and rocking, straight and smoothing, launching into the free ; and textures in classical music. It's all that Uri Caine can do with the piano. Last year Caine had a adventurous and wonderful multifaceted music at The Stone. For this date at Smalls, he has asse Mark Helias and drummer Clarence Penn to celebrate his new album *Calibrated Thickness*, a ge penned (most are short, with only a few topping five minutes...sounds like '60s AM radio to me). Caine has recorded with a trio, so that makes for something tasty, especially since he will be exp eccentric music that is treated to top-tier improvisations. "There's a lot of freedom in the piano tri and loose. We keep the structure together, but within that I like the freedom it offers." Special nig
—*Dan Ouellette*
